

ProMedica Ebeid Institute's Financial Opportunity Center provides FREE financial, employment and income supports coaching to people of all incomes and zip codes.

Financial Coaching

FOC coaches offer three core financial services to all clients:

1. One-on-one financial counseling, focusing on solving specific issues, such as debt resolution, credit repair or eviction prevention
2. Group-based financial education

FOC coaches also help clients avoid predatory lenders by connecting them to mainstream financial service providers and products.

Employment Coaching

All FOC coaches are trained in the Accenture career success curriculum, and assist clients seeking to gain/improve employment achieve their goal through one-on-one coaching.

Income Supports Coach

Research shows that people receiving public benefits as a supplement to their working income are 30 percent more likely to stay employed. That is why all of the Toledo FOC coaches are also certified OBB Counselors and Tax Preparers.
