

**WEEK  
WITHOUT  
DRIVING**

Join the Week Without Driving Challenge!  
**SEPTEMBER 30 - OCTOBER 6, 2024**

The **#WeekWithoutDriving** challenge was launched in 2021 to challenge people to better understand the barriers to nondrivers in accessing our community. To help identify barriers and gaps in transportation, infrastructure, and look into how we can work together to make our community easier to navigate for all. Think about the importance of having a community that is accessible for all.

Sign up for the challenge by simply registering\* online at **TARTA.com/WEEK** and learn more about how your participation can shape your community!

\*Registration not required to join the movement.
